

Step 1:
Use Eye Primer all over eye including brow bone.

Step 2:
Use Purple eyeshadow in the inner corner of the eyes to the middle of the eyelid

Step 3:
Use purple roll on glitter over eyeshadow

Step 4:
Line under the eye with purple shadow. Start in inside corner and continue 1/2 way out to the center of the eye.

Step 5:
Add White pearl eyeshadow to the brow bone.

Step 6:
Use black pencil to make a "triangle". Start in center of lid by eyelashes, draw to outside and back to the center of the eye on the crease.

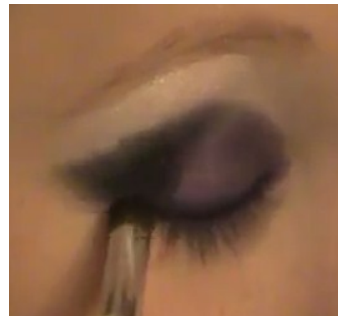

Also line the bottom lid 1/2 way starting w/ outside corner going in.

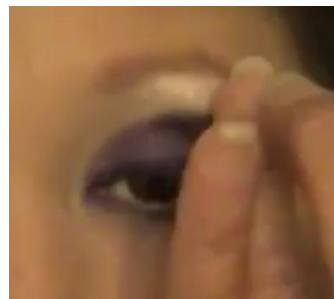

Step 7:
Use the smudger to blend the black and purple.

Step 8:
Use black to line the top of the eyelid

Step 9:
Add black eyeshadow on top of eyelid to add more definition.

Step 10:
Go back over the white on the brow bone with the white pearl shadow.

Step 11:
Blend everything together.

Step 12:
Add mascara, blush & red lip stain.
