Fees are the same each month even though the number of classes held may vary. We require all customers to be on the auto-debit program for payment with either a credit or debit card. Monthly tuition is deducted 4-days prior to the 1st of each month in order for your payment to be processed by the 1st. If for some reason you are unable to participate in the auto debit system you will need to provide a check at time of registration in the amount of 1 months tuition as a security deposit. **Tuition is due by the 5th of the month. If tuition is not paid by the 5th, at \$25 late fee will be added to your account. If your auto debit does not go through, you will be notified and will also have until the 5th.**

Student Withdrawals/Changes: All customers are responsible for payment of monthly tuition until you notify Infinite Bounds **IN WRITING** of your intent to withdraw from or change any Infinite Bounds program. We will charge your account until we receive **WRITTEN NOTICE** that you are dropping / changing. Infinite Bounds requires a 2-week notice of any changes to your account. At that time, your child will be dropped the first day of the month, following notification. The drop policy will be enforced, unless accompanied by a medical authorization. (Example: Notify by 2/15 in order to change/drop by 3/1) Email us at: **accountaccounting@infinitebounds.co**
