

Welcome to "Summer Fun" with Infinite Bounds!

We are looking forward to having your kiddo with us!

Check in: When you arrive at Infinite Bounds on your camp day you will check in with the front desk and sign the check in sheet. If someone else is picking up your child from camp let the office know at check in. Also ask the person who is picking up your child to bring his or her driver's license.

Pick up: Please sign out at the desk and wait at the glass doors for the camp counselors to get your child.

Items to pack: Please bring a snack, water bottle, and a lunch each day. If your child is attending stay-n-play, an additional snack is recommended. If your child is preschool age an extra set of cloths is also recommended.

Please call us if you have any questions!
